

Button Blast Single Color

C3-H4BPAK

Led Flash Controller

Extension Cable

2 Mounting Grommets

2 Lightheads

Key Benefits

- > Enables transformation of low-profile vehicles into high-impact police cruisers
- > Provides additional bright warning light for external and internal vehicle applications

Design Features

- > Weatherproof and Vibration Resistant
- > Exterior and Interior use
- > Dimming and synchronous capability
- > Synchronization over 15 units for increased impact
- > 2 heads to 1 controller for easy set-up and installation
- > LED Color: Red, Blue, White or Amber
- > Lens Color: Clear
- > Rubber gaskets eliminates water ingress
- > Lightheads sold in pairs
- > Compliance: ECE R10, ECE R65

Specifications

- > LED Element: 4 High Intensity LEDs
- > Operation Voltage: 12 or 24VDC
- > Reverse polarity protection
- > 2 Flash Modes
- > 14 Flash Patterns

	12VDC	24VDC
Average Current	1,25A	0,63A
Max. Current	2,5A	1,25A
Average Power	15W	
Max. Power	30W	

- > Fuse Rating: 5A

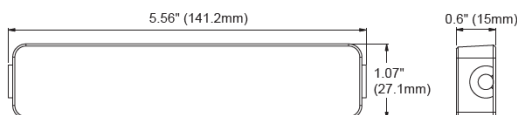

Flash Patterns			
1	Single (2Hz)	8	Quad
2	Double (R65)*	9	Quint
3	Triple (2Hz)	10	Mega
4	Quad (2Hz)	11	Ultra
5	Random	12	Single-Quad
6	Single	13	Single H/L
7	Double	14	Steady(Mode1) Steady/Double(Mode2)
