

Horizon Running Light

18871

## **Horizon Traffic Advisor** **6 Amber modules configuration**

### **Key benefits**

- > Robuste traffic advisor/ arrowbar
- > Low profile, lightweight design
- > Clear Q-Lock couplings between lighthoods
- > Seamless light reproduction

### **Characterize**

- > Black aluminum housing for heat distribution
- > UV Resistant Lens in Polycarbonate
- > Reverse Polarity Protection
- > Weatherproof
  
- > 16 directional patterns
- > 49 warning patterns
- > 3m long steering cable
  
- > In accordance with: SAE J595  
CA T13

### **Specifications**

- > Operation Voltage: 12VDC (3,6A)43,2w
  
- > Dimensions Walking light module:  
Height: 32mm  
Width: 651mm  
Depth: 54mm
  
- > 6LEDs optics
  
- > Permanent memory
  
- > Ambient temperature: -30°C to +65°C
