

Mastervolt MVG 12/140

12354

Maintenance free Gel Battery 12VDC 140Ah / 2kWh

Key benefits

- > Maintenance-free gel battery and gaseous not
- > Very long service life
- > Suitable for intense use
- > Ready to use right away
- > Equipped with handles

Features

- > High charging current possible
- > Fast loading time
- > Very low self-discharge
- > Mercury and cadmium free

- > 2 Year warranty

- > In accordance with:
DIN VDE 0510
EN 50272-2
IEC60986-21

Specifications

- > Rated Voltage: 12VDC (13.2VDC max)
- > Nominal Power: 140Ah
- > Maximum charging current: 70A
- > Short circuit current IEC60986-21: 3132A

- > Weight: 49kg
- > Dimensions: 513 x 223 x 223 mm (L x W x H)

- > 6 battery cells
- > Charging method IUoUo

- > Ambient temperature: -20°C to +45°C
