

*MR6 series – Blue/White*  
*C3-MR6MC-BW*

*Low-Profile, Flush Mount grommet*

*Key benefits*

- > Suitable for a wide range of applications
- > Limited height offers many mounting options
- > Rounded corners for better visibility

*Features*

- > Sync with Code3 Exterior Lights
- > TIR Optic Technology
- > Aluminum base
- > Transparent lens in Polycarbonate
- > TIR Optical Technology
- > 13 Flash Patterns
- > 69 Modes
- > Phase 1 and phase 2 alternating mode
- > IP67

*Specifications*

- > Operation Voltage: 12-24VDC (1,3A Max)
- > 2x 6 high-intensity LEDs
- > Dimensions: 32x132x20mm
- > Weight: 0.070kg
- > -30°C to +50°C
